

BA (Hons) in Primary Education

From primary school TA to primary school teacher

Benefits for your primary school

Recruitment and retention

Provide a pathway for TAs to become teachers in primary schools by retaining trusted TAs or recruiting ambitious TAs.

Grow your own teachers

Your TAs already know the school culture and community, and you know them. This can make them reliable, successful and trusted recruits.

Time efficient

The degree runs alongside the TA's work so classroom time will not be interrupted. TAs can make use of their classroom experiences to support their studies.

Cost-effective

The best value course for your school, at only **£5000** per TA per year. This is up to **£4250** per year cheaper than similar courses and bursaries are available.

Application requirements

Candidates must not already have a university degree. They will also be required to pass an interview, have a letter of support from their school, and have passed two A-levels or equivalent to apply.

Application deadline | 30 April 2024

Pricing

Only **£5000** per TA per year

About the course

- › The **BA (Hons) in Primary Education** is a new opportunity for teaching assistants who do not have a first degree to become primary school teachers.
- › The distance learning course allows TAs to work in a paid job at their primary school while they study, minimising financial pressures and maximising learning experiences. The course is completed over three years.
