BA (Hons) in Secondary Education (Maths and SEND)

Designed for support staff wishing to become secondary school teachers

Do you have the determination to learn, develop and push yourself alongside your work?

About the course

- Three-year part-time BA degree course, designed for full- or part-time members of support staff (eg TAs, cover supervisors, sports coaches, lab and IT technicians who do not have a first degree.
- Focuses on secondary education, policy and practice, giving you a strong foundation for a teaching career.
- Delivered online, and available on smart devices and laptops, so you can learn when you want, where you want and at your own pace.
- A University of Buckingham tutor will support you throughout the course.

Why this course?

- Work, reflect on real-world experiences and **earn while you learn**.
- The best value course for you or your school (**£6000** per year). Student finance is available.
- Continue to qualified teacher status (QTS) course once you graduate.
- You will be provided with a **FREE** Chromebook to ensure you can access the course.

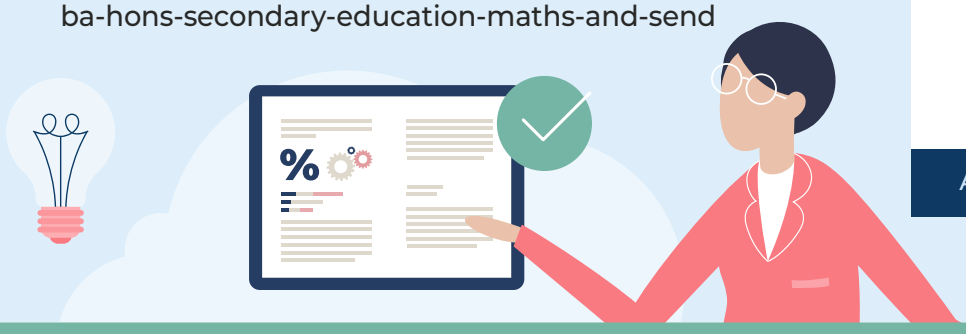

Entry requirements

1. You cannot have a university degree already.
2. You should have passed two A-levels or equivalents.
3. You will need GCSE English and maths at grade C/4.
4. You will need to pass an interview.
5. **You must be determined and organised**.

> "To anyone else considering this course I would encourage them to go for it. You will not regret the opportunity to not only study to help you become a teacher one of the most important roles in society, you will also get to do it at your own pace with a wealth of knowledge, experience and support available to help you."
